

THE FIRST COMPLETE HISTORY OF THE TREASURY BUILDING

**Award-Winning Book
Published by the
Treasury Historical Association**

Fortress of Finance: The United States Treasury Building, the Treasury Historical Association's book on the history of the Treasury Building and the predecessor Treasury Office is the result of over eight years of research by architectural historian Pamela Scott, author of *Temple of Liberty*, a history of the U.S. Capitol Building, and co-author of *Buildings of the District of Columbia*. She has developed a captivating account of the construction of our National Historic Land-mark and its unique architectural features that have made it one of Washington, DC's most magnificent structures. The book includes an appendix with a summary of histories of the Treasury's current bureaus and those now in other departments and agencies.

The retail price for **Fortress of Finance** is \$55.00, plus shipping and handling.

Fortress of Finance:

> Received Independent Publishers' second-place award in 2010 Mid-Atlantic Non-Fiction books category.

- > Is a hardback book, about 8-1/2 by 11 inches, with 336 pages, printed on high-quality matte coated paper, with wrap-around illustrated heavy paper dustcover,
- > Contains 185 images of historic drawings, blueprints, etchings, paintings and photographs, ranging from sepia, black-and-white and color-tinted to 21st-century full-color digital images,
- > Has a "leather-effect" case wrap, with foil stamp title on front and spine, with "signatures" (i.e., sections of the book) stitched to the binding, not glued, and
- > Is perfect as a "coffee-table" book; ideal gift for yourself or others who are interested in preservation of our Nation's historic treasures or the history of the U.S. Department of the Treasury.
